

Remember to start with general questions about the picture

- ✚ What do you notice?
- ✚ Do you think you would like it here? Why?
- ✚ Have you been anywhere like this?

Put your “Llygaid Mathemateg” on. What do you see now?

- ✚ What shapes can you see?
- ✚ How many different colour houses can you see?
- ✚ Can you see any squares? Discuss.
- ✚ Can you see more cars or more boats?
- ✚ How many boats wide do you think the harbour is?
- ✚ Can you see any parallel lines? Perpendicular lines?
- ✚ Can you use mathematical language to describe where the hill is in the picture? Where the boat on the ramp is?
- ✚ Which house do you think is the tallest? Explain your thinking.
- ✚ What time of year do you think this picture was taken? Why?
- ✚ How many windows can you see in the turquoise house?
