Leadership

Develop learning communities
Formative Assessment = priority
in CPD for all staff

Professional networks set up to share
and develop good practice between
consortia

A hub for 'Excellence in Assessment'
set up in Wales to lead effective
assessment

Training

ITT = significant emphasis
on both theory and practice
of formative assessment

I get it!

Clear priority to role of
formative assessment within
effective pedagogy and
professional development

Consistent formative
assessment training for
serving teachers across Wales

Training for leaders and
managers in promoting
formative assessment within
their schools
