

Professionally Speaking 2017

Notes by Cully Education

Lifelong
learning is
essential for
wellbeing and the
economy.

If we want to achieve
our ambitions, we
need to ensure that
older people have
access to appropriate
education and
training.

Sarah Rochira
Older People's
Commissioner
for Wales

celebrate growing
older - it is the
ultimate
aspiration.

Our economy
needs older
people. Older
people can fill
the skills gap.
