

Expressions of Time

In the story, Draig Goch says that time seems to be important to humans **at the moment...** How many other commonly-used expressions of time can you list?

Here are some suggestions.

My Expressions of Time

As time goes by
Behind the times
Serve time
Have the time of your life
In the nick of time
Make time
Pass the time
Race against time
Short of time
Time after time
Time is money
Only time will tell

Ahead of time
By the time
For the time being
High time
Just in time
Matter of time
Pressed for time
Save time
Stand the test of time
Time flies
Time is ripe
A waste time
